November 14th, 2019.

Attention: All Design Professionals specifying NUDURA Insulated Concrete Forms

Tremco Inc. (parent company of NUDURA Inc.), currently has 19 manufacturing plants under their corporate ISO9001:2015 registration with DQS Inc. (see attached certification).

This notice is to confirm that work is actively under way to bring NUDURA Inc.'s Quebec Manufacturing Plant under Tremco's formal Corporate ISO 9001:2015 Registration. This specific plant is responsible for all material production servicing all of NUDURA's UK and European Markets.

An Internal ISO9001:2015 audit of the location has already been completed as part of this ongoing process (October 30th. & 31st.) and Tremco Inc. has received and signed acceptance of contract from DQS Inc. for undertaking registration of the NUDURA Quebec Plant.

The process towards achievement of this registration is necessarily long term, however, it is Tremco Inc. intent to have NUDURA Inc.'s Quebec plant formally qualified under Tremco's corporate ISO 9001:2015 registration as soon as possible and fully completed before the end of 2020.
